EQUIPMENT STORAGE

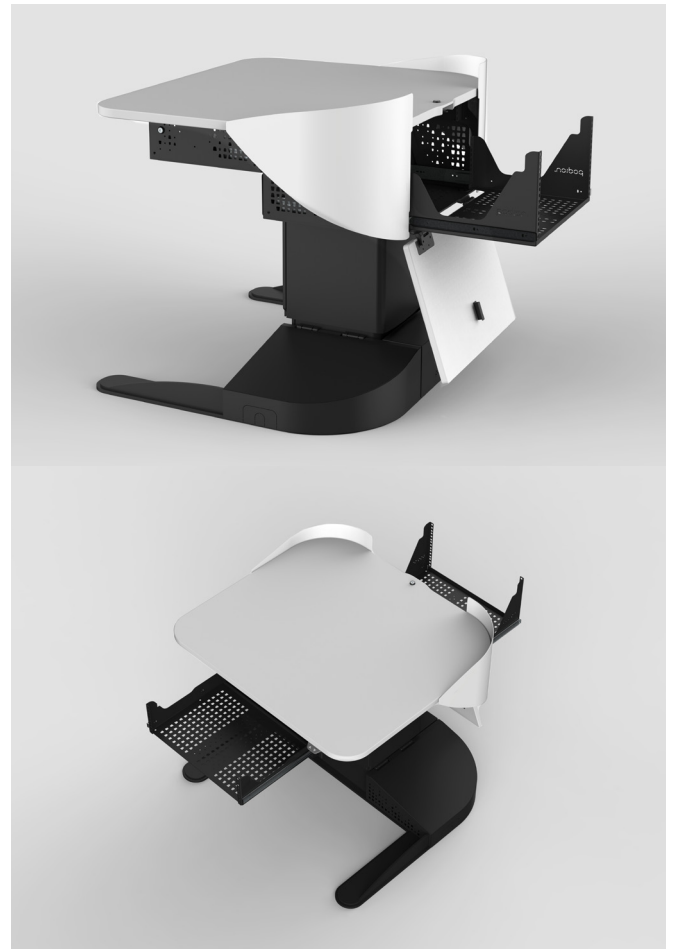

Orion provides 8U of space for mounting your AV/IT equipment.

5U slide out rack mounted on the audience side

3U slide out rack mounted on the presenters side

The internal chassis is constructed of steel to ensure a sturdy and safe mounting solution. Slide out vented rack trays allow for easy access.

Removable vented side panels, with independent locks, enable you to easily access your equipment while still keeping it secure.

WHEELCHAIR ACCESSIBLE

The U-shaped footprint is wheelchair friendly and provides stability. Inside clearance allows for easy wheelchair entry and exit.
