

## DESCRIPTION

A great choice for use indoors in training facilities, conference rooms, exhibition centers, boardrooms & any learning or work space with modern technology demands.

POD-X is a lightweight, aluminum lectern that is tough enough to withstand daily use and light enough to effortlessly tilt and push from one space to another.

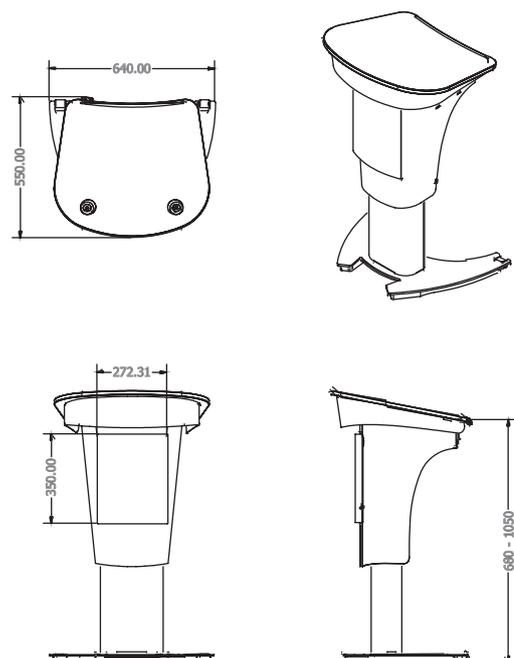

Height adjustable for universal access, it showcases instant AV & IT connectivity, a non-reflective inclined bench top and built-in wheels.

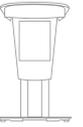

## KEY FEATURES

- Electronic height adjustment
- Durable and lightweight
- Easily portable: built-in wheels
- Built-in dual flush shock mounts
- Logo panel
