

TDP-WA

podion.

PRODUCT SPECIFICATIONS

Rack Storage:	16RU (2 x 3RU Top 2 x 5RU Bottom)
Height:	Electronically adjustable, 775 – 1075mm
Worktop:	1300mmW x 700mmD
Materials:	Laminate Worktop Steel Body

(Accessories not included, please enquire to configure.)

DESCRIPTION

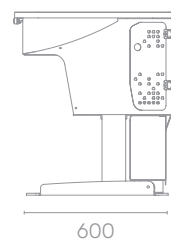

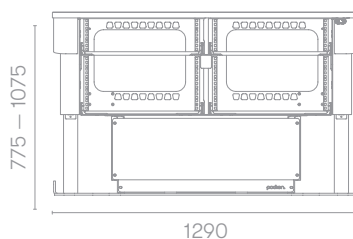

Designed for modern teaching and training environments where technology needs to be accessible without placing a lectern at the centre of the room.

Freestanding, the desk is intended to sit against a wall and functions as a touchdown point. Educators can connect devices, switch content or adjust room systems, then move away to interact with students.

KEY FEATURES

- Total rack space: 16RU
- Electric height adjustment
- Easy access to equipment, for installation and servicing
- Keyed locks for security to prevent theft
- Natural convection cooling
- Smart cable management

DIMENSIONS

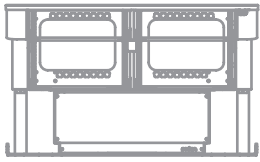

Note: Diagram is set to lowest height.
